from Their Royal Majesties

Great populace of the Outlands, make merriment and mirth for the midwinter is upon us.

At Caer Galen Midwinter We offered THL Caterina Fregoso admittance to the Order of the Laurel and THL Gabrielle Cartier admittance to the Order of the Pelican both momentums events will occur at Caerthe 12th Night. Congratulations!

We would love to be able to attend all of the 12th Night and Midwinter celebrations but alas some are conflicting. Please know that if We are not present in body We are present in spirit.

Hear the thundering sound of the Outlands drums calling us to WAR!

Our granaries are full from the fall harvest. Our smoke-houses are brimming with salted meat. Our cattle are penned for the winter. With the aid of the Flacon and the Sun, we will conquer the Known World.

We have many great plans to show the generosity of the Outlands and to exhibit what a jewel Our fine Kingdom is. We will be hosting the Drygestan Outlands Prize Tournament in the Kingdoms encampment Thursday at War. We will show our hospitality at this tournament with refreshment, food and shade for all those who participate in and watch this premier tournament.

As there is little shade in the desert of Atenveldt we would like to build a grand pavilion in colors representing our Kingdom. With these lofty plans of hospitality, we will be raising many funds for the War Effort!

We hope you are as excited about the upcoming war as We are and cannot wait to see you all there!

All archers, rapier combatants, and heavy fighters make ready for Estrella by supporting the War practices on the Sunday's following Midwinter Events. Our numbers for these practices have been small, we all need to hone our skill of war!

All Knights and Master of Arms, All Thegns and Stags Bloods We command your presence on the field of honor, combat and war practice.

And last but not least we ask the great order of the Laurel and the august order of the Pelican to help in the aid of this war effort. All of your great skills are needed and We are thankful that this Kingdom is so rich in these fine houses of the peerage.

May all your travel be safe in this snowy season!

Winter, being a time to stay in doors in the company of friends, seems an ideal time to join in together in an experience of medieval education. As formal education and Universities grew the basic knowledge of gentle people was classified and divided into the trivium and the quadrivium. The subjects of the quadrivium, astronomy, arithmetic, geometry, and music were considered necessary knowledge for noble, refined people. Come join the College of Blaiddwyn for a day of discussions on these four arts. Our college fighters will vie for Captain of the Guard that afternoon, and all are welcome to compete for

"Wail 'wrack and ruin' and set free the multiple canis familiaris of armed combat."
From: Julius, Sieze Her! By Billy Shimmyspike, Bard of Mary Cai.

Yes, it is that time again. The College of Saint Golias will be hosting the last Southern War Practice before our valiant forces head off to Estrella. We invite all fighters to attend the last warm up before the big show. We have reserved the whole athletic field, so there will be plenty of room for both heavy and light combat. Weather permitting and if enough archers show up there will be archery practice at the amphitheater. Her Grace Duchess Elisheva will be holding the famed Auction Lunch.

Please check the website: www.nmt.edu/~golias/swp.html for updated information about the event.

From the Board of Directors

At its January 22, 2000 quarterly meeting, the Board of Directors received a proposal from Sir John Fitz-Rauf, OL, OP, requesting that an additional order of the peerage be created. Sir John suggested that this peerage be called "The Order of the Glove," and asked that it be established specifically to recognize achievement in "skills of the field." These skills, as defined in his proposal, included, but were not limited to, war combat (pike, missile, siege, scouting), rapier, archery, equestrian, and the hunt. Because this proposal was well-publicized before its presentation, the Board received 111 emails with comments from the membership.

Of those responding, 40 were in favor of the creation of this additional peerage order, and 71 were opposed.

Although the Board of Directors rejected Sir John's specific proposal, the Chairman directed that an announcement be placed in Tournaments Illuminated requesting comments from the membership regarding the underlying issues and the desirability of an additional peerage order to address these concerns. The Board received 33 comments from the membership as a result of that request.

Of those responding, 11 were in favor of the creation of some sort of additional peerage order, and 22 were opposed.

After reviewing the comments from the members and with the consensus of the Board, the Chairman announced that no further action on this issue is contemplated.

The Board of Directors especially wishes to thank all members who took the time to send their comments regarding this issue, and appreciates the well-constructed rationales which were presented both in favor of the concept and in opposition to it.

From the Kingdom Seneschal

Good Day All,
As we welcome in a New Year the reality of War loom on the horizon. Estrella War is just a few weeks away. Every year this is a great opportunity to travel, see old friends, fight, shop and generally have a great time. It is also a great responsibility for the Outlands to be a Principle Kingdom. Although our rewards are many there is much we must be ready to do.

Volunteers of all sorts are needed to put on such a large endeavor. Security, Chirurgeonate, Water Bearers, and Heralds are just a few of the official areas where people can volunteer time and actually receive a payment for your Shire or Barony. Volunteer sign-up sheets are usually available at check-in. There are other volunteer projects much closer to home that can help make the Outlands show its greatness. New pavilions have been proposed and people will be needed for the sewing. People to gather and transport water-bearing supplies are desperately needed each year. Food and cooks to prepare it so that all of our people can be assured a hearty meal. Last but not least your monetary donations help provide the materials to build the shelters and list fields and purchase the necessary supplies to make this event more than just a camp out. This year, please become involved in any way you can, whether you are actually traveling to war or not. Your help in preparation will help ensure that the Outlands shines as the jewel of the Laurel Kingdoms.

For those who will be traveling, now is the time to begin preparing. Start now to ensure that any legal papers you might need are being accomplished. Powers of Attorney and waivers for minors MUST accompany any minor not traveling with their parents. It would be a bad thing to arrive to discover the child you brought will not be allowed in. Likewise, begin now to prepare your vehicles or make your traveling arrangements. If you have room for riders, make it known. If you need a ride start asking around now. If you are flying, have you made arrangements for someone to transport your stuff? This is the time to do it. Also, consider a visit to your doctor if you are one of the many people who have respiratory problems each year. You may be able to head off medical problems that could ruin your trip.

I know that I have forgotten saying things like get your armor and weapons ready, prepare you're A&S entries, or other things of that sort. I am pretty sure they will be covered elsewhere in this publication. I would like to end by remind everyone to be safe. I know I say that each month, but I have discovered that each and every one of you are important to me because it is through your enjoyment of our world that I get to enjoy it also. As this old year ends and a new one begins, please, please return home safe to your family and friends. What effects you will effect them.

In Service,

Syr Rhys Afalwin

From the Kingdom Knight Marshal

Hail Outlands Warriors,

Once again the war drums call to raise us from our winter slumber! The King has called for stout warriors to stand with him on the field at Estrella War. The time is now to polish our armor, mend our weapons and hone our skills so that we may march strongly to meet our foemen. Fighters take note, and do your best to attend as many war practices as possible in order to train with your comrades in tactics and strategy. The fighting that we go through to prepare for war is often more challenging and at times more fun than the war itself, but also be mindful that the people you are fighting are your brethren. Everyone should push themselves to excel, but not to the point of being careless or excessive. Also take this time to make sure that your authorization cards are current, and if you need to be authorized in a different form before war, do it now.

Fight well and be safe.

Duke Brothgar Manomakh

From the Kingdom Rapier Marshal

Unto The Rapier Fighters of the Outlands does Lady Siobhan inghean ui Dhoibhilin ("Devlin"), Kingdom Rapier Marshal, send a Call to Arms!

War is looming and will quickly come upon us. Rapier fighters, it is again time to return to your respective practices and start teamwork drills, tactics and maneuvering. The scenarios for Estrella War are posted, and with practice we will show the Knowne World what great honor, skill, and fighters we have in our midst.

In other business, all local rapier marshals, please send reports monthly. If you are an authorizing marshal, you need to get in contact with me by Feb. 1 or you may no longer be one.

If you have questions, please do not hesitate to contact me.

I remain, in service to the Outlands,

Lady Siobhan inghean ui Dhoibhilin

From the Kingdom Equestrian Marshal

Greetings unto the Great Kingdom of the Outlands!

The time has come for me to step aside a let someone else take up the reins of the Cavalry of the Outlands. A successor has been chosen and it is THLady Siubhan MacDuff from Glen Medonach, she is an excellent horsewoman as well as a wonderful teacher and has a great string of school horses! Her contact info is as follows:

THLady Siubhan MacDuff

I have enjoyed my time as the Kingdom Equestrian officer and I am very encouraged by the growing support of the Equestrian Arts through out the Kingdom, but it is now time for me to step back and nurse a few "war-wounds" acquired by both myself and my noble steed. We both need time to rest and heal and possibly look for a new and younger mount to carry me into battle for my Kingdom. I would like to thank all of the Equestrians for the Outlands for all of their support and hard work, I could not have done my job with out you! I would also like to thank all of the Crowns who sat on the throne during my time, Count Malegwyn and Countess Lillian, Duke Lycurgus and Duchess Mukulina, Count Martino and Countess Aindrea, Count Kynan and Countess Eleanor, and Their Majesties Ceasan and Vanna. The encouragement of these people for all the Equestrians helps us to keep the Dream alive!

Farewell to you all,
In Service to the Crown and the Kingdom

Lady Moyra MacColla

From the Kingdom Minister of Arts & Sciences

ESTRELLA! ESTRELLA! ESTRELLA!

The Arts and Sciences is one of many new areas that can make a BIG difference this year. Please prepare. If you cannot make it to Estrella War and want to send an item notify your local A&S Officer to see if they can assist you in getting someone who's making the journey to take your item for you. If you cannot find anyone please let me know and I'll see what I can do. We want to help our Kingdom and here's your opportunity without putting a helm on and getting the heck beat out of you while you try to hit someone. What better way than to do something you enjoy. Don't let yourself get stressed about perfection. Remember to have fun doing something you enjoy and perfection will show. The categories are:

Ceramics – defined as any product of ceramic manufacture that is appropriate to the period of SCA interest.

Scientific Instruments – defined as any scientific instrument/tool that is appropriate to the period of SCA interest.

Hats – defined as a head covering with a shaped crown and brim that would have been appropriate to the period of SCA interest (not a headdress or cap).

Well, this month we have Caerthan 12th Night. It's theme is 1001 Vikings. It's going to be so much fun to see how many people dress as vikings.

The Barony of Unser Hafen is having their A&S competition and collegium. Speaking of A&S competitions, if you are interested in hosting the A&S competition next fall please send in a Kingdom bid. It will be in the Northern region since it was in our Southern most area last fall. This year I would like to have a combination collegium and competition. Now don't panic, we don't have to have a huge amount of classes, but I'd like to see a fair amount of classes maybe given by people who aren't entering the competition. I'll have more information on my thoughts on this in the next months.

Doomsday reports are due by the 10th of January! If you need some help, please contact me. If you need instructions on how to fill out a doomsday report or for that matter what one is, please refer to the A&S handbook on-line in the Outlands Web page under Officers. Always feel free to contact me.

Hope everyone had a wonderful December holiday and continue to enjoy the seasons festivities.

Yours in service,

The Honorable Lady Jorunn nic Lochlainn

From the Kingdom Scribe

Greetings unto the populace of the Outlands from The Honorable Lady Maredudd, Outlands Kingdom Scribe.

Another reign has come and gone. I would like to commend the scribes of the Outlands for their dedication and hard work on 104 scrolls for the reign of Kynan

continued next page

and Eleanor. Your artistry and time is greatly appreciated by myself and by the people of this glorious kingdom. To each and every one of you, a heartfelt "Thank You."

The scribes who have contributed works of their hands for the reign of Kynan and Eleanor include Sarah Archer, Rosslin von Hohenzollern, Karina Dobrogneva, Ailinn Shadowfox, Wyndylyn Leanb na Doinnean, Tetsutaka Yukihana, Arwen Southernwood, Bjarki Gulbjornsson, Adelicia d'Alvilla, Dimiana, Guillaume Francois Rolland de Gonzac, Mateo Roberto Xavier del Canton de Hawks Hollow, Bahiyyah, Grellán ÓConchobhair, Marguerite d'Isere, Aildhicinna macAilpean, Drahomira Jaroslavna, Killian MacKenzie, Taryn Brannick, Maria sol de Leon, Averil du Bois d'Avignon, Celestria, Fekete Hollo Noemi, Lorcan MacColla, Christina McCarty, Julian of Aldeford, Thorhalla Bjarnadottir, Tatiana Pavlovna Sokolova, Teresa Ewers, Signy of Stavanger, Monika von Zell, Sasha Gray, Rivka Vladimirovna Rivkina, Caelte Caitchairn, and Bennet Murray, who has the distinction of completing more scrolls than any other scribe during the past reign. I know that I have missed a few scribes, but I thank you even though your name may not appear above.

There is plenty to be done for the current reign. If you would like to do scrolls for the Crown, please contact me. Likewise, if you haven't received an assignment recently and want one, I would be glad to put you to work! My contact information is listed in the front of the Outlandish Herald.

I would invite all Scribes to the Herald's and Scribe's symposium to be held in St. Golias in March. There will be a wide variety of classes for both the beginning and experienced scribe, and some classes that will address heraldic issues from the scribe's standpoint. We're also planning a Scriptorium, where you can see the fine work of the Outlands' Scribes, and perhaps try your hand at a new skill.

I will have copies of the Scribe's Handbook available at Kingdom Heralds and Scribes. The handbook contains (among other things) approved copies of scroll texts. You are welcome to write your own texts, but remember that the Kingdom Scribe must approve all scroll texts. Texts submitted for approval may be used in the future on other scrolls.

Thanks again to all the hard working scribes in the Outlands, and I hope to see many of you at Heralds and Scribes!

The Honorable Lady Maredudd Anghared ferch Gwenhyfar

From the Kingdom Chronicler

Members of the Populace, of the Outlands, you may have noticed that the style of the Outlandish Herald has changed, somewhat. It is all really simple, the Kingdom Chronicler has changed, also. Let me introduce myself.

I am Lady Christina McCarty. I was born in Ireland, but raised in the great courts of Europe. I have been taught many things; embroidery, lace-making, oil painting, scribal and illumination design, the rapier arts, manuscript binding and many more.

On another note, in my dual life, I am a student at the University of Colorado-Colorado Springs (Known as the College of the Venerable Beeds), which is located in

continued next page

Colorado Springs (the Barony of Dragonsspine). I am currently a senior in the Fine Arts College with an emphasis in graphic design.

What I would like from you, the Outlands:

- I would like the populace to feel free to voice their concerns or questions to me at any time.
- I would like all great artisans to submit their artwork/poetry/recipes/etc. to for publication in the Outlandish Herald.

The current deadline for all submissions (event articles/officers' reports/advertisements/etc.) is the first of every month. I currently have a web page up that allows autocrats/seneschals/etc. to view what has been submitted to the O.H. for publication. The web page can be located at http://tngmccarty.com/oulandish_herald/articles_received.html This site is updated frequently.

What the Outlands will receive from me:

- I will work my hardest to represent The Finest Kingdom in the Knowne World, THE OUTLANDS!

Other than that, my contact information is at the front of the Outlandish Herald.

Your Kingdom Chronicler,
Lady Christina McCarty

Autocrats, please take notice of the article size constraints, and try to stay within them. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A March event MUST run in the March OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the three (3) publication limit. Additional printings may be purchased at the current advertising rates. Kingdom Events (Crown, Coronation, A&S Competition/Collegium, and others as designated by the Crown) receive one (1) page in the publications prior to the event, and two (2) pages the month of the event. Non-Kingdom Events receive one-half (½) page in the publications prior to the event, and one (1) page the month of the event. Additional space may be purchased for any publication month at the current advertising rates. Current advertising rates are listed in the front of the Outlandish Herald. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication. The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (½) page article, and 600 words in a one (1) page article.
